

## **Photographic Essay**

My underlying theme or inspiration for the brief was Dundee's changing past and present engineering & industrial face. Dundee has a long and proud history of innovative engineering and had for a longtime a large industrial workforce. Today there are a lot of new pieces of engineering to see but also amidst the developing Dundee there are still some giants from 'the old days'.

- 1 – Seabraes Pedestrian Footbridge
- 2 – Seabraes Pedestrian Footbridge
- 3 – Interesting Joint on Footbridge
- 4 – Expressive Dundonians on the cycle-walkway at Seabraes
- 5 – Perth Road
- 6 – Industrial Estate by Clarkies Industrial Giant
- 7 – Industrial Estate by Clarkies Industrial Giant
- 8 – Industrial Estate by Clarkies Gas Line
- 9 – Industrial Estate by Clarkies Reflecting a Giant
- 10 – Industrial Estate by Clarkies Reflecting a Gant
